## A. G. BLOUNT

Grower *of* True-to-Name Nursery Stock

HASTINGS, NEW YORK

Oswego County

**Dear Friends and Customers:**

Instead of mailing you an expensive catalogue this season we decided to give free with our price list a little booklet, which treats on how to plant and grow everything from the nursery. This will be helpful to everyone who is desirous of planting nursery stock.

**MY RELIABILITY.** Write the First National Bank of Central Square or the State Bank of Parish, N. Y., or any person in Hastings, Central Square or Parish, N. Y. Please enclose stamp for reply.

**IF CUSTOMERS** will tell us the name of the station where they receive their freight and express, we will then send the stock the best way, to the customer's advantage.

**PARCEL POST** is the Best and Cheapest way to make shipment, wherever possible, and according to weight and zone. The customer pays the postage when he gets the shipment.

**GUARANTEE.** We use all reasonable precaution to have everything true to name and description, and stand ready to replace or refund the purchase price on stock not found as ordered or represented by me. But it must be understood that we shall not be held responsible for any sum greater than the cost of the stock.

**FRESH DUG TO ORDER.** All our stock is fresh dug either from the nursery row or our plant fields. We keep everything in fresh growing condition.

**APPLE TREES**
